### C4 MEN'S MINISTRY

C4 Men's Ministry is going strong - Meeting every Tuesday in the Fellowship Hall to strengthen, build and establish a Christ-like walk as part of their daily lives. These men are hungry for Jesus; they have powerful and meaningful discussions on how they handle their walk with Jesus by their side. Some of it is easy and some of it can be challenging but all in all, C4 is all about Christ, Courage, Conviction and Compassion; Encouraging one another to know they are not alone...that God has their back and Jesus is right there by their side. C4 meets every Tuesday evening, 7:00pm in the Fellowship Hall.

## YOUTH MINISTRY

Fired Up Youth is a group of students covering topics they face every day in and out of school – discovering who God is and having fun in the process. Youth leader Jaime Cruz and his wife, Elizabeth Cruz, believe in our youth. They strive to give encouraging lessons through God's Word preparing these youth for their journey. Learning and growing together through fellowship, friendship and prayer gives them strength and courage to face and overcome whatever the world has for them! On Sept 9<sup>th</sup>, Fired Up Youth traveled to the ESPN Wide World of Sports at Disney for Night Of Joy. Thank you to ALL of the chaperones who ensured our youth were safe and had a great time at Night Of Joy!

*“Fired Up Youth are here to impact the world for God's glory!”*

## CHILDREN & TODDLER MINISTRY

These precious ministries are blessed to see new faces each month. Turning Point is fortunate to have excited and motivated volunteers that truly love to serve God's children. Our purpose is to support parents by providing for the physical, emotional and spiritual needs of the young children during all worship services...and our mission is to give the children the best possible care with a desire to protect the health and safety of the children.

*“Growing God's Kingdom one child at a time!”*

## CHURCH IMPROVEMENTS

The church is still in need of improvements in many areas. If you haven't already noticed, please be sure to visit the Nursery & Toddler room as it is underway for a new look. Susan began painting a few weeks ago and has great plans for graphics on the walls. It will be completely redone to the flooring along with adding shelves and a mini-fridge. Our hallway and fellowship hall definitely are due for some work. David Yargus has already blessed the church by upgrading ALL of the lighting in the hallway, fellowship hall and nursery in the back.

With much improvement needed, the church goal is to focus on the more necessary ones. For instance, our nursery/toddler room has already begun for our little ones as their ministry is growing as fast as they are. Other improvements such as restroom toilets and sinks, replacing the water-fountain in the fellowship hall, new floors in front restrooms, install baseboards in the hall, nursery and fellowship hall...and the list goes on. If you have talents in any of these areas and would like to help, please get your contact information to either Michelle Garcia or Jeff Denney. Some improvements take longer than others...but we all know that God's timing is perfect! Thank you to all who have helped to make Turning Point's improvements possible - *May you be blessed in return for your works.*

**National Back-To-Church Sunday** was a hit!!! Such a blessing to see all of the new faces on this special day set aside for the community to visit and have church with us ☺

*Give your burdens to the Lord,  
and He will take care of you.  
Psalm 55:22*
